Chero-Cova

Positively the most invigorating, satisfying and thirst-slaking drink at the fountain; it is winning fame wherever its name is known. It is on sale in this city, and there is a genuine treat in store for you when your lips first enjoy its cooling, caresing tasle; sparking, bubbling and delightful—it is the ideal summer-time drink. Just the thing for that tired feeling—"spring fever"—and general "let down."
